

## NEWSLETTER for ALL WOMEN

### DIOCESE OF CALGARY February 2013

**Our Purpose is to unite all women of the Diocese in a fellowship of worship, learning and service, which will deepen our personal relationship with Jesus Christ, affirm our gifts and encourage the development of our ministries.**

#### MESSAGE FROM THE PRESIDENT

I pray that you are all well and surviving our winter weather. I feel we are very blessed, considering the weather other parts of our country and the world are receiving! 2013 is proving to be an exciting time of growth and change for everyone.

It is hard to believe that we are preparing for our upcoming Diocesan Annual Conference, to be held this year in Canmore on April 19 & 20. Our theme will be “Called to Serve” and Bishop Greg and Vicki Kerr-Wilson will be speaking on this topic. I'm sure we can all relate to it, as God has called each of us to serve him in some way. We need everyone to use their talents and gifts to work together for the good of all.

I am nearing the finish of my time as president of the Diocese of Calgary Anglican Church Women, and I would like to thank all those who have helped me along the way. The members of the Board have been very supportive and I appreciate that. It has been great to meet so many women from all over the diocese and I look forward to continuing to meet and talk to you over the coming years. In April, EeDee Chester will become the new president and I wish her all the best. It is a great learning curve, but well worthwhile.

Please mark your calendars for the Canmore conference, as it is going to be a wonderful time of learning and fellowship. I look forward to seeing you soon.

Blessings,

Jennifer Ingram

Nine-year-old Joey was asked by his mother what he had learned in Sunday School.  
"Well, Mom, our teacher told us how God sent Moses behind enemy lines on a rescue mission to lead the Israelites out of Egypt.

When he got to the Red Sea, he had his engineers build a pontoon bridge, and all the people walked across safely. He used his walkie-talkie to radio headquarters and call in an air strike. They sent in bombers to blow up the bridge and all the Israelites were saved.

"Now, Joey, is that REALLY what your teacher taught you?" his mother asked.

"Well, no, Mom, but if I told it the way the teacher did, you'd never believe it!"

## THANKOFFERING

Throughout the year Thankoffering funds are received from individuals and ACW's in the Diocese. At the Annual ACW Conference, delegates vote on where these funds are to be distributed. The money is divided as follows:

1. Money received from February 1 up to and including the date of Conference is divided equally between first choice in the Diocese and first choice outside the Diocese.
2. Money received after the Conference up to January 31<sup>st</sup>, plus the Thankoffering received at the Women's Auxiliary Life Members and Silver Cross Recipients Annual Meeting held in September in Calgary, is divided equally between the second choice in the Diocese and the second choice outside the Diocese.

Last year the two first choices were the Diocese of Calgary, to be used for youth programs, and the Council of the North for their Suicide Prevention Program. They each received \$845.55.

The two second choices were the Northern Clergy Families Fund and Diocese of Calgary Refugee Committee. They each received \$335.73.

This year the following organizations/causes have been chosen to receive your vote.

### Inside the Diocese:

1. **KAIROS Calgary.** Ten Christian denominations (Anglican being one of them) with more than 130 churches have joined forces to help families at risk of, or experiencing, homelessness as they are housed with support at an affordable housing complex owned by the Calgary Homeless Foundation in southeast Calgary. The fundraising campaign in support of the project, called "A Place to Call Home: Acadian Place", will see KAIROS Calgary aim to raise \$1.5 million.
2. **Medicine Hat College Chaplaincy.** The Medicine Hat College has never had a Chaplain and as of January, 2013, they now have a part-time Chaplain meeting the spiritual needs of the college students. This position has been made possible by the generous support of the Anglican, Lutheran, Presbyterian and Catholic churches in Medicine Hat. This program has been generously supported by the ladies of St. Barnabas Anglican Church in Medicine Hat.
3. **Community Soup and Bun Fellowship program.** This program arose out of the efforts of Rev. Sean Krausert, Deacon at St. Michael's, relative to his involvement regarding poverty in the Bow Valley. Among other things, St. Michael's serves soup and a bun on a weekly basis to provide not only food but to give the hungry and isolated a chance to socialize.

### Outside the Diocese:

1. **Sorrento Centre** - This is an Anglican Retreat and Conference Centre which provides a holy place of transformation for learning, healing and belonging through a variety of programs. It is located on the south shore of Shuswap Lake 28 km. west of Salmon Arm, B.C. They have just celebrated their 50th anniversary.
2. **Northern Clergy Families Fund** - This program is administered by the Mothers' Union and every penny donated goes to support the clergy families in need nominated by Bishops of the Council of the North. The Bishops are contacted in rotation and asked to submit the names of two clergy families who could benefit from a bursary from the funds. Each family receives \$950.00 to be used as needed by that family. This unsolicited gift has been used to fund everything from a shopping trip, a trip out of the north or medical treatments. One woman wrote her thanks by saying, "I can now buy diapers for my baby."

3. **Nichola Goddard Foundation** – “The Nichola Goddard Light Up Papua New Guinea”, the object of which is to improve the quality and functionality of health care facilities in rural PNG by installing solar powered LED lighting systems so that health facilities can be used in the evening. “Light Up the World” believes that bringing light to aid posts and rural health care centres will contribute to an improvement to the quality of health care provided in PNG. One LED light costs \$200.00 and \$1,400.00 to install. Nichola was born in Paupa New Guinea and was the first female soldier to be killed in Afghanistan. Nichola and her family were members of St. Barnabas in Calgary. Her family has since moved to PEI where Sally Goddard (Nichola’s mother) is president of the ACW.

### LITTLE HELPERS (submitted by Carol Kyle)

Would you like to put smiles on the faces of the little children in your Church? We have a set of beautifully designed cards (all original designs) available for special occasions. There are Baptism Cards for children baptized in your church, as well as Welcome Cards for new members to your Church. We have Celebration Cards for a child celebrating some special happening in their life at Church, School, Sport or other activity; and then there are the birthday cards for children aged 1 to 5. These cards and the art work on them are attractive and appealing to the young ones.

A number of A.C.W. groups around Alberta have a Little Helpers Secretary who has these cards on hand to give to the children in the Church to help celebrate their special day and to tell the child that they are a valued member of the Church family. An ideal person to ask to take on this role would be someone who loves children and shows our Lord's love in her/his life. And we suggest that you don't ask for a volunteer. This person would have the responsibility of mailing out the special card required, such as birthday, welcome, etc. each month. Each card costs only 75 cents - where else could you get such a pretty card for that low amount? The mailing costs are often covered by the Church in the daily mailings, or the A.C.W. group handles the postage.

If this program appeals to you and your Church, the cards will be on display and for sale at the A.C.W. Annual Conference at St. Michael's Church in Canmore, on April 19 & 20. You can also phone Carol Kyle, Little Helpers Secretary, 403-255-7932, who will have a small packet mailed to you.

A pastor, known for his lengthy sermons, noticed a man get up and leave during the middle of his message. The man returned just before the conclusion of the service. Afterwards the pastor asked the man where he had gone.

"I went to get a haircut," was the reply.

"But," said the pastor, "why didn't you do that before the service?"

"Because," the gentleman said, "I didn't need one then."
